Dear Neighbours,

**Re: Public Information Drop-in Session
Plum Tree Park Public School
April 6th, 2011 – 7:00 pm to 9:00 pm
Resurfacing of Tenth Line West in 2011 and 2012**

Please join me at the Public Information Drop-in Session on Wednesday, April 6th, 2011 from 7:00 pm to 9:00 pm at Plum Tree Park Public School, 6855 Tenth Line West. The purpose of the meeting is to discuss the resurfacing of Tenth Line West in the following two phases:

- Phase 1:** Derry Road to Trelawny Circle / Battleford Road in 2011; and
Phase 2: Trelawny Circle / Battleford Road to Britannia Road West in 2012.

The project is focussed on the rehabilitation of the existing paved areas with the introduction of on-street bike lanes on both sides of Tenth Line West.

The City is partnering with the Credit Valley Conservation to introduce alternative drainage systems within the boulevard area of Tenth Line West, which will moderate flow, improve water quality and enhance the potential for infiltration of rainwater into the ground.

We look forward to discussing any questions or concerns you may have on the proposed works. If you cannot make the meeting or wish to discuss the project before or after the meeting, please contact Tom Wenzel, Roadway Programming Coordinator, Transportation and Works Department at 905-615-3200 ext. 3156.

Kindest regards,

Sue McFadden
Councillor Ward 10
City of Mississauga / Region of Peel
