

Lisgar District - Pumping Station Doug Leavens Boulevard

Construction scheduled to begin: on or after May 5, 2025

Construction scheduled to be completed: on or before July 31, 2026

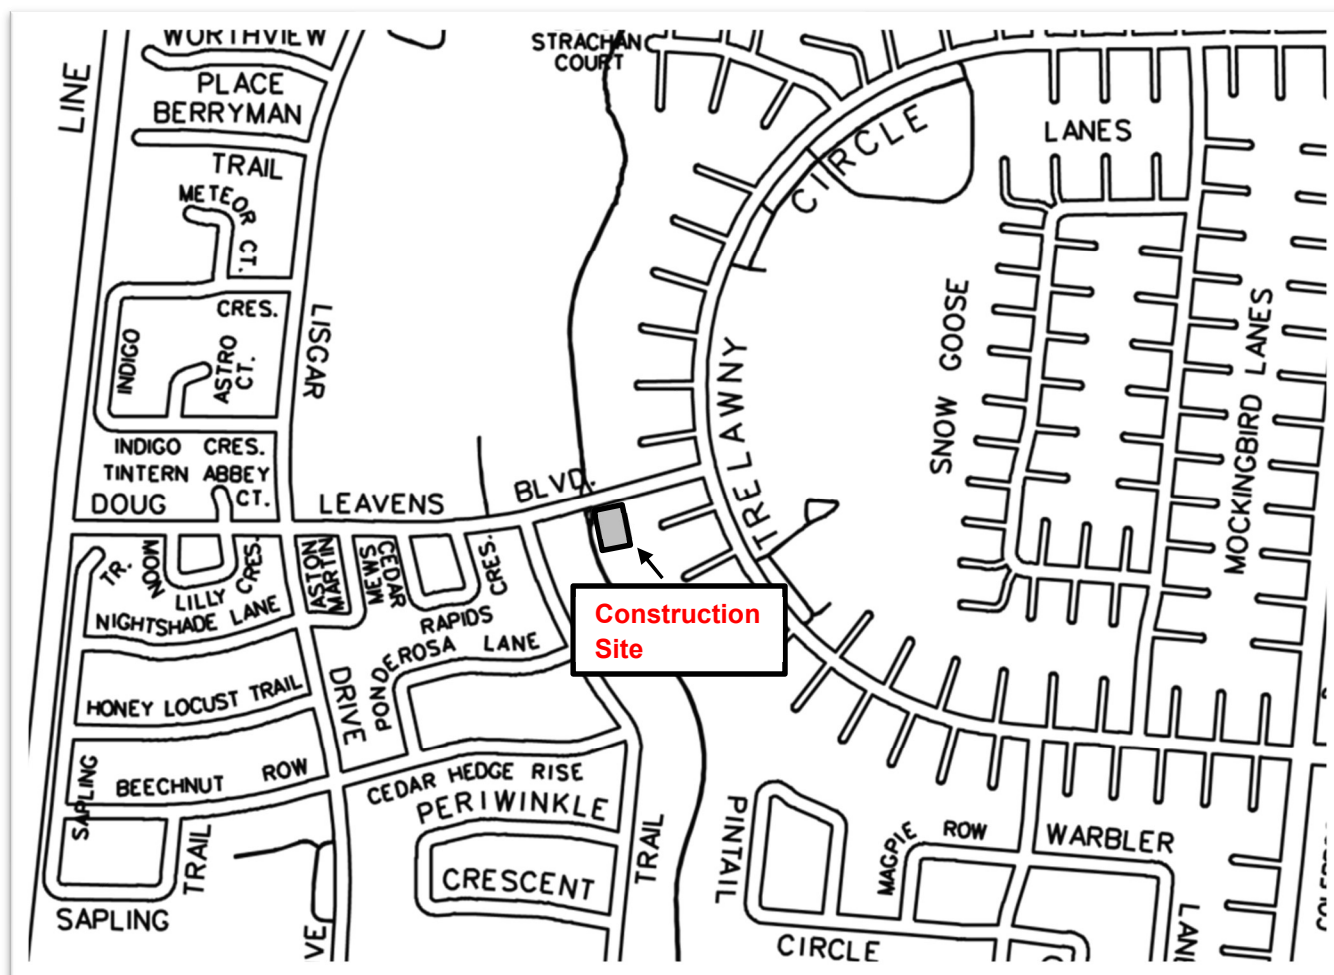

Project Overview

The City will be constructing a pumping station at the parkette on Doug Leavens Boulevard, as detailed on the overleaf map. This pumping station will help reduce the potential for basement water infiltration.

What to Expect During Construction

Impact/ Safety	The construction site will be completely fenced/blocked off throughout the duration of the project, with signs visibly in place. Dust, noise and other inconveniences may be experienced. The City will make every effort to reduce these impacts.	
Work Hours	Work will occur between 7:00 am and 7:00 pm, Monday to Friday. Saturday work will occur only if necessary. The Contractor will adhere to the Noise By-law Policy.	
Parking	On street parking will not be available on Doug Leavens Boulevard.	
Traffic and Pedestrians	ROADS	Doug Leavens Boulevard will remain open during construction.
	SIDEWALKS	Sidewalks along Doug Leavens Boulevard will remain open during construction.
	TRAILS/PARK	The Lisgar Meadow Brook Trail will remain open during construction.
Utility Disruptions	Temporary disruptions to utilities, i.e. gas, hydro, water, cable, telecommunications may be experienced. Every effort will be made to promptly restore these services.	
Restoration Works	Trees inside the parkette will be removed to create working space for construction. Landscaping inside the parkette will be restored once construction is completed.	
Inspections	The Contractor, Clearway Construction Inc., may contact some residents on Trelawny Circle located near the construction site for pre-construction condition surveys and monitoring surveys.
